DE WITT TALMAGE LAID IN THE GRAVE

SIMPLE SERVICES AT GREENWOOD CEMETERY.

Casket Arrives from Washington Early in the Morning and Interment Proceeds at Once.

The body of Rev. T. De Witt Talmage was laid to rest today in Greenwood Cemetery, Brooklyn. Simple burial services were conducted at the grave, the funeral having been held last night in Washington.

The casket containing the remains arrived in a special car in Jersey City early this morning, where it was met by a number of the Brooklyn friends of the dead minister. The coffin was moved to a waiting hearse and the long drive to the cemetery was at once begun.

The members of Dr. Talmage's family who accompanied the body followed in carriages to Greenwood and to the Talmage family plot. A considerable number of the former parishioners of Dr. Talmage had assembled at the cemetery, as well as many persons attracted to the spot by curiosity.

Rev. J. Howard Suydam, of Rhinebeck, read a brief eulogy of Dr. Talmage, saying that 200,000 persons felt a personal loss in his death. The assemblage then recited the Lord's Prayer in unison and the body was lowered into the grave.

"William," for twenty years a servant in the Talmage family, sobbed bitterly as the coffin was let down. His example was infectious and the mourners showed much emotion.

Of Dr. Talmage's family those at the service were Mr. and Mrs. Clarence Wyckoff, his son-in-law and daughter, his widow, Mrs. Eleanor Talmage, and her daughter, Miss Rebecca Collier, and other more distant relatives. Miss Daisy Talmage was too ill to attend.

Among the floral offerings was a magnificent wreath of white roses sent by President and Mrs. Roosevelt.

YOUR FUTURE HOME SHOWN.

New Idea of Uptown Firm That Saves Time and Money.

How to start housekeeping at a minimum of cost and in as short a space of time as possible is one of the perplexing questions that confront the average housekeeper with a slender income. The necessity of experience in knowing what to purchase to make a home as complete and comfortable as it should be, without exceeding the limits of one's purse, are a few of the questions that have been solved by the enterprising young firm of Holzwarth & Co., Nos. 227-1423 Third Avenue.

They show several apartments of three, four and five rooms completely furnished, including a sewing machine, at the (it seems) low figure respectively of \$50, \$125 and \$148. The apartments are all completely furnished and show exactly as they would appear in your home.

This up-to-date method of furnishing a home is an improvement over the old way of shopping the town for three or four weeks. Here it can be done in twenty minutes. To the out-of-town purchasers an allowance for fare and freight both ways is a boon as a time and money economizer. To those who desire credit accounts are opened as low as \$1.00.

WILL BRING HOME FUGITIVE CASHIER.

DETECTIVE SAILS TO ENGLAND FOR ROBITSEK.

American Minister to Liberia, a Negro, on the Philadelphia.

To bring from England a cashier charged with defalcation is the object of Detective-Sergeant Conroy's departure for Europe on the steamship Philadelphia this morning. Carl Robitsek, the man the detective is after, is accused of embezzling nearly \$50,000 from Graf Brothers, No. 311 Broadway. The alleged theft, which occurred recently, was not discovered by them until after Robitsek had left Boston for Liverpool. Prompt sailing to Scotland Yard resulted in Robitsek's arrest as he left his steamer.

Dr. J. R. A. Crossland, United States Minister to Liberia, called on his first diplomatic errand. He is a negro and the place was given to him because of his knowledge of Liberia. Dr. Crossland said that three commercial agencies were to be established in Liberia at Grandbassa, Cape Palmas and Rothemann. The doctor said he thought this country would always remain their Mecca.

Prof. J. W. Robertson, of the Agricultural Department of Canada, called for a conference with the British government heads as to the future of Canada's products, of which he said the export is now enormous.

M. F. Plant was a passenger.

ACCUSED OF FORGERY.

Secretary - Treasurer's Goodfellow Held for Trial.

Charles A. Goodfellow, of No. 190 Washington street, was arraigned in Central Criminal Court this morning charged with forgery. He is secretary and treasurer of the American Pulverizer Company, a concern with headquarters at Plainfield, N. J.

Goodfellow is charged with selling stock certificates which it is alleged, he forged the name of the President. He was held in \$1,500 bail for trial.

FALL KILLS JOHN AUER.

Wealthy Manufacturer Founded Iron Works Fifty Years Ago.

John Auer, a wealthy iron manufacturer of Williamsburg, died this morning as the result of a fall downstairs in his home at No. 187 Manhattan avenue. Mr. Auer was seventy-six years old and feeble.

The Auer Iron Works, at No. 190 Middleton street, were founded fifty years ago by Mr. Auer. Nine children survive him.
